

**For Immediate Release**

**ProTrans' Detroit Moves to Newer Energy Efficient Facility**

*Indianapolis, IN (December 7, 2015)* – ProTrans' Detroit Facility (Belleville, MI) has moved to the energy efficient Brownstown Business Center-North facility located at the following:

ProTrans' Detroit  
18640 Dix-Toledo Hwy, Bldg. 4, Suite 400  
Brownstown, MI 48192

Providing approximately 80,000 square feet, the Energy Star facility features 24 dock doors, generous trailer parking and excellent access to I-75. ProTrans' Detroit offers transportation, warehousing / inventory solutions and ProMex border processing.

“ProTrans is committed to fostering environmental and sustainable stewardship through both our involvement with US EPA SmartWay and our North American facilities. We are pleased to move to an Energy Star facility.” – Shawn Masters, Chief Commercial Officer

***About Energy Star***

Energy Star is a voluntary U.S. Environmental Protection Agency (EPA) program that delivers environmental benefits and financial value through superior energy efficiency.
