

For Immediate Release**ProTrans Announces 1st Anniversary of Freight Management Services**

Indianapolis, IN (January 31, 2014) – ProTrans Freight Management Service, headquartered at the ProTrans corporate office in Indianapolis, Indiana celebrates its first anniversary.

Launched in January 2013, ProTrans Freight Management Service creates value in the spot-transportation market by providing flexible coverage at a moment's notice for unscheduled shipping environments, irregular patterns and unfamiliar modes or lanes. Key services include "direct-to-asset" freight services (FT, LTL), urgent shipment handling, specialized equipment, intermodal, flatbed and unplanned logistics management.

"Our first year in existence, the Freight Management team has handled more than \$15M in unplanned truckload, LTL, and expedite shipments. It's been an incredible year! We're all looking forward to 2014, and the accomplishments that will undoubtedly come from this new dynamic team. Congratulations to the Freight Management team, and nice Job in 2013!" said Steve Trowbridge, Director of Freight Management.

"Freight Management Service is a product that complements our existing customer base or stands alone by offering shippers a solution to manage their transactional transportation needs. Our leveraged spend truly brings capacity at a very reasonable cost." said Shawn Masters, Chief Commercial Officer.
