**ProTrans Expands: Our newest center in Houston is nearly 52,000 SF**

**Indianapolis, IN (December 27, 2016)** – ProTrans has expanded its North American network to Houston by opening a new facility at Prologis Northpark business park, 713 Northpark Central Drive, Suite 200, Houston, TX 77073.

ProTrans' newest service center offers a total of 51,758 SF including 49,000 SF of warehouse space plus 2,700 SF of office space. It features 10 dock doors, 1 ramp, 28' high ceilings and an ESFR sprinkler system. Located near George Bush Intercontinental Airport it provides easy access to I-45, Beltway 8 and Hardy Toll Road.

The new Houston facility provides support for international shipments and expands our coverage across the Texas/Mexican border region.

“With the significant presence ProTrans already has along the Texas border, Houston is an ideal location for us to operate. From international, ocean and air to domestic pool distribution, our center in Houston is at the right place to efficiently meet diverse customer demand.” – Shawn Masters, Chief Commercial Officer
