ProTrans Receives MAHLE “Continuous Improvement” Award

Indianapolis, IN (August 24, 2016) – ProTrans proudly received the MAHLE 2015 “Continuous Improvement” award from the Santa Catarina, Mexico Filtration Plant.

The award recognizes ProTrans for continuous improvement workshops presented throughout the year as well as ProTrans’ ability to focus on creative solutions and innovation.

“We are especially proud to be recognized for “Continuous Improvement”. ProTrans appreciates our employees’ dedication to quality and innovation in support of MAHLE’s business.” – Shawn Masters, Chief Commercial Officer

About MAHLE

MAHLE is an automotive parts manufacturer based in Stuttgart, Germany. It is one of the largest automotive suppliers worldwide. As a manufacturer of components and systems for the combustion engine and its periphery, the company is one of the three largest systems suppliers worldwide for engine systems, filtration, electronics, mechatronics and thermal management.

About ProTrans
