

**For Immediate Release**

**ProTrans Selected as a 2016 Top 100 Third-Party Logistics (3PL) Provider**

**Indianapolis, IN (August 5, 2016)** ProTrans announces recognition as a 2016 Top 100 3PL Logistics Provider from Inbound Logistics (IL). The Top 100 list appears in the July 2016 issue and will be posted online and in IL's digital edition.

Inbound Logistics' Top 100 3PL Provider's list serves as a qualitative assessment of service providers they feel are best equipped to meet and surpass readers' evolving outsourcing needs.

Each year, Inbound Logistics editors select the best logistics solutions providers by carefully evaluating submitted information, conducting personal interviews and online research, and comparing that data to our readers' burgeoning global supply chain and logistics challenges. The service providers selected are companies that, in the opinion of IL editors, offer the diverse operational capabilities and experience to meet their readers' unique supply chain and logistics needs.

We appreciate the honor to once again be included in this year's Top 100 3PL Providers by Inbound Logistics. It shows our employee's hard work and motivation to provide continuous customer satisfaction, a Protrans' priority, as well as Protrans' overall focus of driving customer value through continuous innovation. Thank you IL for your recognition and presentation of this award – Shawn Masters, Chief Commercial Officer

**About Inbound Logistics**

Inbound Logistics the leading trade magazine targeted toward business logistics and supply chain managers. The magazine's editorial mission is to help companies of all sizes better manage corporate resources by speeding and reducing inventory and supporting infrastructure, and better matching demand signals to supply lines.
