#### ***About ProTrans***

ProTrans founded in 1993, is an international full-service 3PL provider offering logistics design, carrier procurement, supply chain management and transportation management. ProTrans manages all aspects of a customer's supply chain regardless of mode; moving more material with fewer assets, keeping costs down and efficiencies high and utilizing in-house proprietary software to address each customer's needs. Headquartered in Indianapolis, Indiana ProTrans operates over twenty-four (24) service centers throughout Canada, Mexico and the U.S. Visit our website [www.protrans.com](http://www.protrans.com) to learn more.
